The Ameritas Participating Provider Organization (PPO) is a cost-effective network of qualified dentists who provide dental services at a discounted fee. Only dentists who adhere to credentialing and quality assurance requirements are able to join and remain in the Ameritas PPO network.

While plan members always have the right to receive care from any dentist they choose, their out-of-pocket costs will almost always be lower if they choose an in-network dentist.

If you have questions about the network, please call our Provider Relations department at 800-755-8844. Even with daily updates to the online directory, there is no guarantee that a provider listed in the directory will still be a network provider at the time dental services are performed. Prior to making an appointment, and again at the time of the appointment, please verify network participation with the dentist.

If you have questions about a claim or about your plan benefits, please call the toll-free number on the back of your identification card.
